GRADUATE RECRUITMENT

Our MHSc Program Coordinator, **Julia Tausch** collaborated with GASP to welcome prospective students and share details and tips about our Graduate Program. Visiting *Guelph's Beyond Graduation Fair* on October 22nd was a **new initiative** this year - part of a more **proactive recruitment strategy**. Julia connected with many prospective students from Guelph, and will keep in touch with them via email in the run-up to the application deadlines.

Stay tuned for more updates!

Many thanks again to **Professor Ronald M. Evans** for delivering an outstanding, “standing room only” lecture last week!

Thank you to **Eli Lilly** for their generous sponsorship, to the members of the **Best family**, and to all who attended our department's most prestigious lecture.
