THESIS OUTLINE AND COMMITTEE INFORMATION

This form is for new graduate students. The information requested should be submitted to the Graduate Administrator by **October 15 (for September start), February 15 (for January start), or June 15 (for May start)**. This form should be completed after consultation with your Graduate Supervisor.

Name: _____ Date: _____
Student Number: _____ Program: MSc PhD
Supervisor: _____ Co-Supervisor: _____
Location: _____ Lab and/or Cell No: _____
Thesis Title: _____

THESIS SHORT DESCRIPTION (200 words or less summarizing project outline):

THESIS COMMITTEE MEMBERS:

The thesis committee members should be chosen in consultation with your Supervisor. Please choose members that will be easily accessible for **at least two meetings per year** and available in an advisory capacity during your degree. **Apart from the supervisor(s), we recommend two members for a MSc degree and three members for a PhD degree.** At least one of the committee members must be appointed to the Department of Physiology. The other member may be selected from within or outside the Department of Physiology. All members must hold an appointment at the School of Graduate Studies.

Contact the Professors immediately and **attach their emails accepting the role as a member of your committee.**
